

Special Issue on Role of Protein - Protein Interactions in Biology

Call For Papers

A new Special Issue *Role of Protein - Protein Interactions in Biology* (<http://advinbiochem.org/sinfo/110006>) has been launched in *Advances in Biochemistry* (<http://www.advinbiochem.org>). This Special Issue intends to collect research achievements concerning Molecular Biology. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Eswari Beeram

Affiliation: Department of chemical sciences, Sree vidhyanikethan degree college, Rangampet, Tirupati, Andhra Pradesh, India

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://advinbiochem.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Translational biology
- ◆ Protein - Protein interactions related to diseases
- ◆ Translational Medicine
- ◆ Protein - Protein interactions role in Cell signaling
- ◆ Protein Biology
- ◆ Protein – Protein interactions with respect to design of drugs

Important Dates

Submission Deadline: **Nov. 20, 2019**

Publication Deadline: **Jan. 20, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
